

December

Dear Kindergarten Families,

December is such a fun filled month with all the joys of Christmas. It is also a very busy month and will be over before we know it. Please read all papers to make sure you don't miss anything.

Dates

Wednesday 6th – Student of the Month

Thursday 14th – Christmas Program show time 7:00

Friday 15th – Santa's Shop – students can holiday shop for their families.

Wednesday 20th – STEAM Project (make a gift)

Thursday 21st – Christmas Gift Exchange

Thursday 21st – Noon Dismissal

22nd – Jan. 7th– Christmas Break

January 8th – Classes Resume

What we are learning

Religion – We will study the wonderful birth of our Savior Jesus.

Math – We are learning addition and subtraction.

Reading – We will be working with our Unit Wind. We will be reviewing all the letters we have learned and making them into words. We will be learning sight words. We will also be learning about making lists and adjectives.

Miss Pekarcik

Santa Shop

Each year the PTAL hosts a gift shopping day at the school. This is a time for the students to buy a gift for mom and dad without having to go shopping with the other parent. The students can also do their own shopping for other family members. The items are inexpensive and are fun for the students to choose from. Help your student think of who they would like to shop for and send in some money (\$5 to \$20) for your student to spend. The volunteers will help the students pick items and wrap them to come home with them the same day. Friday (Dec 15th) is shopping day for Kindergarten.

Christmas Program

The students have been working hard for the Christmas program. Please have your student to the classroom by 6:40 on Thursday Dec 14th. They should wear Christmas dress clothes. If you have an outfit that is white, red, and/or black that would look great.
