Paul Brehm: 30 Years

Lesli Ayers: 5 Years

Thank you for your Dedication!

Have you registered? We are now enrolling for our 2019-2020 school year, pick up a packet in the school office!

Dear Parents,  
I can hear the students enjoying themselves at Water Play Day! It seems like it has been a very fast year. Thank you to all of the parents who participate in PTAL who make these fun things happen for our children! You make this a fun place to learn and grow.

There are several Christian schools closing in our area. Mr. Steinert has given tours to ten to twelve interested families. Please pray for students.

Tyler McGowan, one of our eighth graders, scored in the top five of students taking the entrance test to Servite High School. He was awarded the Principal's Scholarship. Congratulations, Tyler!

We have asked the K-4 students to sing at graduation. They love the "big" kids and it means so much to the eighth graders to have the younger students at their big event. If possible, please attend, Wednesday night at 7 p.m. You will be impressed with our young adults.

Thank you, parents, for raising such wonderful children. I brag to all of my principal friends about our kind students. You are doing a great job with them.

I also want to thank the teaching staff this year for a job well done. We all appreciate your hard work and the way you love and care for the children in your care.

Blessings to all of you. Have a wonderful summer. Enjoy your family time. August will be here before you know it.
